For the purpose of this clause public order shall be deemed to have been affected adversely, or shall be deemed likely to be affected adversely inter alia, if any of the activities of any of the persons referred to in this clause directly, or indirectly, is causing or calculated to cause any harm, danger or

alarm or a feeling of insecurity among the general public or any section thereof or a grave or widespread danger to life or public health. Further, the Applicant has not availed the opportunity and represented before the Advisory Board on Preventive Detentions to put her argument/case before the Board.
